Hi

Hope you are doing well!

Congratulations, basis your feedback from the rounds of interviews, we are super excited to extend the offer for the Software Engineer Intern role at LinkedIn for the Summer of 2025 (May to July) for a 12 weeks duration. We hope this experience has been good for you.

Action Required:

- Please do confirm back to this email your final decision on the offer latest by tomorrow 10 a.m., post which we will share the offer formalities
- We would require you to share the email ID of your placement cell to communicate the offer decision
- Do connect with the placement team directly to keep them informed of your offer decision

Please note, this is a Summer Internship offer and hence cannot be deferred to a later date.

Thanks,

Clara Kurian
